

§ 1777.10

the 1992 Act (12 U.S.C. 4611), as determined under OFHEO's regulations implementing section 1361.

Total capital has the same meaning as provided at 12 CFR 1750.11(n).

Subpart A—Prompt Supervisory Response

§ 1777.10 Developments prompting supervisory response.

In the event of any of the following developments, OFHEO shall undertake one of the supervisory responses enumerated in § 1777.11, or a combination thereof:

(a) OFHEO's national House Price Index (HPI) for the most recent quarter is more than two percent less than the national HPI four quarters previously, or for any Census Division or Divisions in which are located properties securing more than 25 percent of single-family mortgages owned or securing securities guaranteed by an enterprise, the HPI for the most recent quarter for such Division or Divisions is more than five percent less than the HPI for that Division or Divisions four quarters previously;

(b) An Enterprise's publicly reported net income for the most recent calendar quarter is less than one-half of its average quarterly net income for any four-quarter period during the prior eight quarters;

(c) An Enterprise's publicly reported net interest margin (NIM) for the most recent quarter is less than one-half of its average NIM for any four-quarter period during the prior eight quarters;

(d) For single-family mortgage loans owned or securities by an Enterprise that are delinquent ninety days or more or in foreclosure, the proportion of such loans in the most recent quarter has increased more than one percentage point compared to the lowest proportion of such loans in any of the prior four quarters; or

(e) Any other development, including conduct of an activity by an Enterprise, that OFHEO determines in its discretion presents a risk to the safety and soundness of the Enterprise or a possible violation of applicable law, regulation, or order.

12 CFR Ch. XVII (1–1–04 Edition)

§ 1777.11 Supervisory response.

(a) *Level I supervisory response*—(1) *Supervisory letter*. Not later than five business days after OFHEO determines that a development enumerated in § 1777.10 has transpired, OFHEO shall deliver a supervisory letter alerting the chief executive officer or the board of directors of the Enterprise to OFHEO's determination.

(2) *Contents of supervisory letter*. The supervisory letter shall notify the Enterprise that, pursuant to this subpart, OFHEO is commencing review of a potentially adverse development. As is appropriate under the particular circumstances and the nature of the potentially adverse development, the letter may direct the Enterprise to undertake one or more of the following actions, as of such time as OFHEO directs:

(i) Provide OFHEO with any relevant information known to the Enterprise about the potentially adverse development, in such format as OFHEO directs;

(ii) Respond to specific questions and concerns that OFHEO poses about the potentially adverse development; and

(iii) Take appropriate action.

(3) *Review; further action*. Based on the Enterprise's response to the supervisory letter and consideration of other relevant factors, OFHEO shall promptly determine whether the Level I supervisory response is adequate to resolve any supervisory issues implicated by the potentially adverse development, or whether additional supervisory response under this section is warranted.

(4) *Sequence of supervisory responses*. The Level II through Level IV supervisory responses in paragraphs (b) through (d) of this section may be carried out in any sequence, including simultaneous performance of two or more such responses. OFHEO may also carry out one or more such responses simultaneously with a Level I supervisory response pursuant to this paragraph (a).

(b) *Level II supervisory response*—(1) *Special review*. In addition to any other supervisory response described in this section, OFHEO may conduct a special

review of an Enterprise in order to assess the impact of the potentially adverse development on the Enterprise.

(2) *Review; further action.* Based on the results of the special review and consideration of other factors deemed by OFHEO to be relevant, OFHEO shall promptly determine whether additional supervisory response under this section is warranted.

(c) *Level III supervisory response—(1) Action plan.* In addition to any other supervisory response described in this section, OFHEO may direct the Enterprise to prepare and submit an action plan to OFHEO, in such format and at such time as OFHEO directs.

(2) *Contents of action plan.* Such action plan shall include, subject to additional direction by OFHEO, the following:

(i) In the case of any potentially adverse development arising from conditions or practices internal to the Enterprise, any relevant information known to the Enterprise about the circumstances that led to the potentially adverse development;

(ii) An assessment of likely consequences that the potentially adverse development may have for the Enterprise; and

(iii) The proposed course of action the Enterprise will undertake in response to the potentially adverse development, including an explanation as to why such approach is preferred to any other alternative actions by the Enterprise and how such approach will address the concerns of OFHEO.

(3) *Review; further action.* If OFHEO in its discretion determines that the information, assessment, or proposed course of action contained in the action plan is incomplete or inadequate, OFHEO shall promptly direct the Enterprise to correct such deficiencies to the extent OFHEO determines such corrections will aid in resolving supervisory issues implicated by the potentially adverse development, and will promptly determine whether additional supervisory response under this section is warranted.

(d) *Level IV supervisory response—(1) Notice to show cause.* In addition to any other supervisory response described in this section, OFHEO may issue written notice to the chief executive officer or

the board of directors of the Enterprise directing the Enterprise to show cause, on or before the date specified in the notice, why OFHEO should not issue one or more of the following:

(i) A notice of charges to the Enterprise under section 1371 of the 1992 Act (12 U.S.C. 4631) and the procedures in 12 CFR part 1780 commencing an action to order the Enterprise to cease and desist conduct, conditions, or violations specified in the notice to show cause;

(ii) A temporary order to the Enterprise under section 1372 of the 1992 Act (12 U.S.C. 4632) and the procedures in 12 CFR part 1780 to cease and desist from, and take affirmative actions to prevent or remedy harm from, conduct, conditions, or violations specified in the notice to show cause;

(iii) A notice of charges under section 1376 of the 1992 Act (12 U.S.C. 4636) and the procedures in 12 CFR part 1780 commencing imposition of a civil money penalty against the Enterprise; or

(iv) A notice of discretionary reclassification of the Enterprise's capital classification under section 1364(b) of the 1992 Act (12 U.S.C. 4614(b)) and subpart B of this part.

(2) *Review; further action.* Based on the Enterprise's response to the notice to show cause and consideration of other relevant factors, OFHEO shall promptly determine whether to commence the actions described in the notice, and whether additional supervisory response under this section is warranted.

§ 1777.12 Other supervisory action.

Notwithstanding the pendency or completion of one or more supervisory responses described in § 1777.11, OFHEO may at any time undertake additional supervisory steps and actions in the form of any informal or formal supervisory tool available to OFHEO under the 1992 Act, including, but not limited to, issuing guidance or directives under section 1313 (12 U.S.C. 4513), requiring reports under section 1314 (12 U.S.C. 4514), conducting other examinations under section 1317 (12 U.S.C. 4517), issuing discretionary reclassification under section 1364 (12 U.S.C. 4614), initiating discretionary action under section 1366(b) (12 U.S.C. 4616(b)), appointing a conservator under section 1369(a)
